Grievance Policies and Procedures

The College has created internal policies and procedures to address student complaints and grievances. Policies exist for academic, consumer, and discrimination complaints and any other complaints not addressed. Academic Grievance

If a student has an academic complaint, or believes that he or she has been harmed by an inequitable or inappropriate implementation of the academic regulations and procedures of the College, the Academic Grievance Procedure shall be followed. Students should follow the Academic/Consumer Internal Complaint Procedure as outlined in the School Catalog and Consumer Guide prior to a formal grievance is submitted. Students are encouraged to discuss academic concerns with their instructor first. If not satisfied with the outcome of these discussions, the student may then appeal the decision to the Student Affairs Representative. Although the policy does allow for informal as well as formal complaint procedures, students should be aware that there are time limits designated in the policy, and they should seek assistance in resolving an academic conflict as quickly as possible. A formal Academic Grievance should be filed within 45 days from the original complaint. The school then has 30 days to submit determination, schedule a hearing or refer to an appropriate agency.

Consumer Complaint

The College has adopted an internal grievance procedure for the equitable resolution of complaints that do not relate to any other internal grievance procedure. The Consumer Complaint Procedure does not include complaints that are academic (Academic Grievance Procedure), or related to any form of discrimination as defined in the Discrimination Grievance Procedure, or related to sexual harassment, as defined in the Sexual Harassment Policy, or any other complaint for which the College has established a more specific complaint or grievance process. Students should follow the Academic/Consumer Internal Complaint Procedures as outlined in the School Catalog and Consumer Guide. A formal Consumer

Grievance should be filed within 45 days from the original complaint. The school then has 30 days to submit determination, schedule a hearing or refer to an appropriate agency.

Discrimination Grievance

The College has adopted an internal grievance procedure providing for prompt, equitable, and confidential resolution of complaints alleging discrimination on the basis of age, color, disability, national origin, race, religious creed, gender, sexual orientation, or veteran status. Complaints emerging from the Modesto, Turlock or Tracy campuses, or any other operation of the College should be addressed to the Title IX Coordinator for students or employees. HEALTH AND PHYSICAL CONSIDERATIONS

Generally, the professional in the beauty field must be in good physical health because working in this profession requires direct physical contact with the clients. In most aspects of the beauty culture, there is a great deal of standing, walking, pushing, bending and stretching, sometimes for long periods of time. A person must consider their own physical limitations in terms of making a career choice that involves extensive training. We promote the acceptance of students with physical limitations or disabilities if these students believe they can fulfill the training demands.

If a student, while enrolled, sustains an injury deemed by the college to impair their ability to fulfill all educational requirements, both practical and theoretical, the student may be required to take a Leave of Absence until given a full medical release by their physician.

STANDARDS OF PERFORMANCE: POLICIES AND PROCEDURES

Student Standard of Performance Statement:

As a student of Adrian's Beauty College, I will declare myself to secure my success and assure the prosperity of my industry. This formula starts with me projecting a positive mental attitude in efforts to achieve a cooperative atmosphere. My productive environment will consist of: honesty, respect, integrity, fairness, responsibility, accountability, and effective communication through people skills, professionalism and the incessant desire for continual knowledge. With these attributes, I will come to understand the value of teamwork and the importance of client satisfaction. Once these qualities are developed and practiced, I will have set forth on my mission to become a true professional.

Adrian's Beauty College is founded on certain Standards of Performance. The following standards indicate how you can function according to the specific policies and procedures of the school. Your adherence to these policies directly affects the consistency and continuity of the image of Adrian's Beauty College presence in the marketplace. These guidelines by no means intend to stifle your creativity. On the contrary, the Personal Standard's of Performance statements and guidelines form a framework from which you can build on your success.

The Standards of Performance, Policies and Procedures contained herein are by no means complete. However, they are the foundation of some of the most successful salons in the United States today.

TIME SCHEDULE AND SCHOOL HOURS:

Please refer to each campus for class schedules.

Your school hours vary with your schedule. It is your responsibility to arrive at school on time and remain in school according to your contracted schedule. If this is not the case, you must contact the school to report your tardiness or absence before you are scheduled to arrive.

Should you find it necessary to change your schedule, please complete the schedule change form. It is located in the Administration office. A fee of \$25.00 will be charged for any change a forty hour per week student may reduce the contract base schedule for one of the following reasons:

- Job related
- Child care

The student may only reduce their schedule to the already available schedules at the location they are enrolled in. The student must have completed Basics, Intermediate and Advanced to increase or reduce their schedules. Mondays, Fridays or Saturdays are mandatory depending on prior contract agreement. Students can have financial aid reduced by decreasing hours. Written documentation of new work hours, childcare concerns, etc. must be submitted with Schedule Change form. Only one schedule change will be allowed.

A thirty hour per week student may increase their schedule to attend more than 40 hours per week for one of the following reasons:

- Job related
- Child care
- Hardship
- Accelerated learning

The student may increase their contract base schedule two ways:

- Temporary change - Allowed only one for a maximum period of six weeks. The student must have completed Adrian's Basics, Intermediate and Advanced and/or a minimum of 900 clock hours. Mondays, Fridays or Saturdays plus prior contract hours are mandatory. Students on warning, probation or who have grades or attendance in question are not eligible. Only one schedule change will be allowed. The Associate Director or School Director may at their discretion, terminate a temporary change.
- Permanent change - Same as a temporary change procedure above and a new contract will be executed with the college. Please refer to each location's schedule for the maximum amount of hours for your school. A fee of \$25.00 will be assessed for all contract changes.
- Regional Occupational Program students are not eligible to attend the accelerated hours. Financial aid recipients must check with the financial aid office to determine if this will affect their funding.

TARDINESS

Effective as 2/1/10

Tardiness negatively affects everyone who is here on time. When students are tardy for class, a disruption is caused. After the first 5 min of class, students are considered tardy. Students must be in class within 1 (one) Hour from scheduled class start. Students who fail to clock in within the 1 hour will not be allowed to clock in but can return to school the next day. **The maximum amount of time a student can be late and still be allowed to clock in and receive credit for the day and night is 1 hour from scheduled start time.**

This policy is not intended to punish students for coming in late. It is to reward the students who are here on time with an uninterrupted class. In most every legitimate case, you should know at least the day ahead if you will need to miss part of your school day. All you would need to do is fill out an absence form in advance, and turn it in to your teacher.

A call to the college is not sufficient to allow you admittance into a class beyond the 1 hour timeframe. In cases of emergency, documentation will be required and looked at on a case by case basis. School rules always take priority, but students are to adhere to each Educator's classroom rules.

CALLING IN TO TEACHER

If you are going to be late for school or will not be in that day, it is your responsibility to call into the teacher's office before your scheduled start time. Students who do not call in may be subject to warning, suspension and termination. It is the student's responsibility to notify the school of any interruptions to their attendance as soon as possible.

EARLY DISMISSAL

All personal/business appointments should be handled on your day off. Should you find it necessary to leave school early, you must fill out the Early Dismissal form, have it signed and turned in to your instructor. Early dismissals **must be** filled out if you are leaving more than 10 minutes before your scheduled end time (4:20 P.M. for full-time students, 7:50 p.m. for part-time students, 4:20 P.M. on Saturday).

TIME CARDS

Time cards are an important factor to your success at Adrian's Beauty College. It is **your** job to make sure that you are getting the correct credits on the time card so that you are maintaining satisfactory academic progress and applying effort toward graduation. All students have access to a weekly time card near the time clock. It is the student's responsibility to maintain the time card. It is also the student's responsibility to transfer all prior hours and operations accurately to a new weekly time card.

A teacher must document each and every operation when that operation is completed. The teacher that supervised the operation will initial and grade the operation on the time card immediately upon completion or no credit will be given. Under no circumstances will credit be given by a teacher who did not supervise the operation. Further, no credit will be given after the fact by a teacher that has not checked the complete operation.

The entire week's paper time card must be turned in at the desk at the end of each and every day. Taking paper time cards home and holding on to paper time cards will result in loss of all credits earned during that week or weeks. In order to complete the course of study, the student must complete the minimum hours and operations as prescribed by the Board of Barbering and Cosmetology. The time card is the property of the college and no copies will be made. All students are allowed to review their timecards with their instructor during their review and receiving their academic progress report. Any students, who believe a mistake is made, should request a correction prior to signing their report card. If a student has a problem with their instructor must follow the internal complaint procedure.

TIME CLOCK OR FINGERPRINT READER PROCEDURES

The course you are enrolled in is considered a clock hour program. This means that credit is applied toward completing your program through the accumulation of clock hours. Adrian's Beauty College's time clocks or fingerprint readers are the only instruments that we use to determine the number of clock hours you have completed on a daily basis. To keep an accurate account of your time, you must adhere to the following procedures or you will lose credit hours.

CLOCKING IN / OUT PROCEDURES

Clocking in

You must clock in upon arrival to school. You may clock in up upon your arrival to school, before your scheduled clock in time, however your time will not start until your contracted start time. *Example: If you are scheduled to begin at 8:00 a.m. and you clock in at any time between 7:30 a.m. and 8:00 a.m., your time will begin at 8:00 a.m.*

To use the fingerprint reader make sure it asks for a fingerprint, if not push the clear button, use the Same finger and position on the reader used when you were enrolled, apply your finger until you see the green fingerprint appear on the screen, release your finger immediately, failure to do so will clock you in and back out! The unit will show you are clocked in.

Clocking Out

You must clock out when leaving school for the day. You may clock out up to 30 minutes after your scheduled clock out time. Example: If your schedule ends at 4:30 p.m. and you clock out any time between 4:30 p.m. and 5:00 p.m., you clock out time will be rounded up to the nearest quarter hour. For the student interns, you will need to finish a client in progress and have the thirty minutes to complete the client and receive clock credit. If you are not working on a client, you will not be given additional clock time for the day by clocking out late. Unless an Instructor overrides your schedule prior to clock out time, you will clock out at the end of your contracted time.

If you wish to leave earlier than your scheduled clock out time, you must follow the early dismissal procedure, complete an early leave form, have the teacher sign the early leave form and get approval from the office. The same procedure for using the fingerprint reader applies to clocking out that was explained in clocking in.

Breaks / Lunch

You are allowed one 10 minute break per four hours, and are required to take a 30 minute lunch break if you are clocked in for more than six and a half hours. You must clock out and back in for lunch. You may not just wait and leave early.

30 - Minute lunch

The minimum required time for lunch is 16 minutes. Any lunch taken less than one half an hour will be automatically rounded to 30 minutes. Any time more than 30 minutes will be recorded as your lunch taken plus any time more than 30 minutes. *Example: A 20 minute actual lunchtime will be recorded as 30 minutes; a 33 minute actual lunchtime will be recorded as 30 minutes; a 38 minute actual lunch time will be recorded as 45 minutes, and all will reduce your clock hour accumulation for the day. Any additional time taken over 30 min will be rounded to the nearest quarter hour.*

Lunches are thirty minutes. This includes purchasing your food and eating it. This does not mean thirty minutes travel time to get your food, then clocking in and sitting down to eat. Nor, does it mean to wait while someone goes to pick up your food and then sitting down to eat. If you are in class, your teacher determines lunchtime and when you will be dismissed to eat. If you are a student intern on the clinic floor, your lunch will be coordinated with the reception desk and clients. You must take a lunch. If you are on the clinic floor and have not had a chance to take a lunch by 1:30 p.m. because of client bookings, notify your teacher. Your teacher will arrange a lunch break for you and assign another student to take over your client while you are out. Lunches for clinical floor students are scheduled by the receptionist. Clinic floor students must record their lunchtime on the lunch log while they are out to lunch.

ADDITIONAL INSTRUCTIONS / GUIDELINES FOR CLOCKING IN AND OUT

- Credit will be given for **APPLIED EFFORT ONLY!** Applied effort is defined as working on class assignments, manikin or client clinical work, not listening to radio, reading magazines, or talking on cell phones.
- Should you forget to clock in or out, you will lose time credit. No instructor or staff member can initial time cards to guarantee lost time will be credited.
- The week's paper time card must be turned in at the desk on the last day of attendance for that week. Should you have an absence and do not turn in your paper time card at the desk, you will not be allowed to receive late credit because the paper time cards are not to leave the campus. Holding on to paper time cards will result in loss of all credit accumulated for that week/weeks.

DRESS CODE AND APPEARANCE

All students are required to arrive at school each day meeting the dress code in its entirety. The personal appearance of our students reflects our school image and visually states what the school represents. This means that when you as a professional, are communicating to clients, the client receives over half of their impressions of you from what they can see, not what they can hear. Changing early into street clothes is not allowed before clocking out. The decision as to whether the student's dress is inappropriate is at the discretion of the college staff.

The school reserves the right to enforce this policy.

ELECTRONIC DEVICES

All electronic devices such as cell phones or iPods must be kept off during class hours so as not to cause disruption to the class. No photos, text messaging or recording is allowed. No person will be allowed to listen to personal electronic devices. All Bluetooth devices must be removed from students ears at all times while clocked in. Students must be clocked out when using a cell phone. The only location a student may use a cell phone (even when clocked out) is outside the building in the break area, not the front of the college.

SANITATION

It is everyone's responsibility to keep our working and training place clean. Each student throughout their training will be assigned specific sanitation duties. All areas of the college that include the rest rooms, waste containers, mopping wet or soiled floors, and garbage pickup are included in these duties. These duties will be no greater than what is expected of you in a salon. Throughout the day you must keep your styling tools in a sanitary and clean condition. It is important for every student to assume responsibility for sanitation. It's not fair to other students to clean up after another student. We must all work together as a team to create a positive environment conducive to learning.

HOUSEKEEPING

- A. A clean work area makes for a pleasant and safe place to work.
- B. Students are not allowed to eat in classrooms or on the clinic floor, which is a federal sanitary law. The only exception is drinking water.
- C. Employees and students are asked to help keep their surroundings as neat and orderly as possible. To prevent slippage, the floors must be free of hair, debris, and water. Should these substances come in contact with the floor, please remove them immediately. Place safety cones in areas to indicate wet floors. This is imperative for the safety of everyone.
- D. Trash receptacles are located throughout the building. Please place all litter from lunch to scrap materials etc. in these receptacles.
- E. Be health, safety, and fire prevention conscious.

Rigid adherence to the rules of sanitation, sterilization and personal hygiene is required at all times. This directly affects the professionalism, continuity, and image of you and the school in the marketplace.

STUDENT HEALTH AND SAFETY

Your health and safety are important to Adrian's Beauty College. All requirements must be adhered to and the following are to be noted and/or followed by all students.

- A. All accidents or injuries must be reported on the accident incident form which is located in the teacher's office.
- B. Common sense is the most important safety rule of all. Please use it at all times.
- C. Horseplay in work areas will not be tolerated.
- D. Take all necessary precautions to maintain a safe environment.

FIRE

In case of a fire, your responsibility is to protect you by leaving the building in a calm, orderly manner. The emergency Evacuation Route is posted near all exit doors. Know the evacuation route, and know where fire extinguishers are located throughout the building.

ACADEMIC AND CONSUMER INTERNAL COMPLAINTS/CHAIN OF COMMAND

Problems of all kind occur in any school or business. If a problem should arise with an individual please follow the below procedures:

- 1. Try to resolve the matter with that person
- 2. If you're unable to resolve the matter with that person, make an appointment with the student affairs representatives. The purpose is to have both parties discuss their problems in a calm manner with the student affairs representative, student, and others present, with a resolution.

The following will occur:

- 1. The complaint will be resolved satisfactorily with all parties
- 2. The complainant will proceed with filing a grievance within 45 days from the original occurrence. If at any time the College feels that the safety or learning environment is compromised due to the incident, any students or staff involved in the incident will be sent home on an academic leave until a formal investigation has been completed and a formal resolution has been sent to all parties.

This chain of command permits the proper flow of information and allows the system to function more efficiently and effectively. This produces more positive results and, quicker action, reaction and consistency.

*See grievance procedures for additional information.

** Any problems will be discussed with the student, we will not discuss any situation with anyone (mother, father, aunt, uncle, brother, sister, spouse, boyfriend, girlfriend), other than the student the School has the contract with.

ADVISING PROCEDURES / DISCIPLINARY PROCESS

Students are advised of their Satisfactory Academic Progress each evaluation period by means of their report card and a notice telling students of the expectations in order to meet SAP standards at the next evaluation period .

When a student needs to be counseled for disciplinary problems, Adrian's Beauty College implements the positive approach, known as a WIN/WIN AGREEMENT. This agreement entails the action in question,

desired results, resources, guidelines, accountability and consequences (results of action, positive or negative). In conjunction with the WIN/WIN AGREEMENT, the following four step procedures are entailed.

- STEP I **Verbal warning**
- STEP II **Written warning**
- STEP III **Student is clocked out and sent home.** A student is ineligible to participate in competitions or advanced classes/workshops for thirty calendar days. Student is allowed to return to school the next day.
- STEP IV **Three day suspensions.** A student is ineligible to participate in competitions or advanced classes/workshops for thirty calendar days.
- STEP V **Termination.** Student may be escorted out of facility by a staff member. In the event A student displays inappropriate or threatening behavior; law enforcement officers will be called to escort the student off of the premises. A student may appeal with a letter. (See appeal procedures) If an appeal for continuation is granted, a student is permanently ineligible to participate in any competitions or any special salon workshops.

Adrian's Beauty College reserves the right to advance a student through this step process with/without a letter of appeal and should the condition warrant it, to remove the student immediately from the college.

**Adrian's reserves the right to bypass the step procedure if a student is involved in an unlawful act.

**Administrative Leave- Students are placed on Administrative Leave when a situation arises that is deemed to be a safety concern for any member of the student body, faculty, or public. These situations normally require additional investigation to fully evaluate. A student is either allowed to return with no further requirements, allowed to return with stipulations or required to go through the review process. The student is asked to remove all property from the school and is not allowed to attend school. Administrative Leave time is not charged to the student as extra instructional time. During this process the student will be notified of a meeting date and time, the student will be allowed to explain their side of the situation in front of a board of 2 employees not involved in the situation, the Associate Director and a Board Member, employee of a different Adrian's or board member. The student will then receive a written decision within 14 days from the date of their meeting. If the student does not agree they must abide by the schools appeals process in order for their appeal to be processed.

EXPULSION

If a student is expelled from school they may be entitled to a refund and will be calculated as if a withdrawal.

INTERVENTION

When a student is not maintaining satisfactory progress, grades, or displays a behavior that is not conducive to the philosophy of the Adrian's organization and/or the beauty industry, they will be counseled by staff personnel. If necessary a PFI (Plan for Improvement) will be required, appropriate steps will be outlined for the student's continuation of their education.

ETHICS

At Adrian's Beauty College, we place a high value on the integrity and good judgment of every individual associated with the school. Any deviation from high ethical standards can bring discredit not only to the school, but to the industry as a whole. We expect every student to exercise discretion and professionalism at all times. Clients, staff members, and fellow students must be treated with respect and courtesy. Please keep the schools best interest in mind at all times. Conversation topics should be limited to professional subjects and not include: religion, politics, sex, or personal problems. The school positively reserves the right to suspend or expel a student who gossips, uses vulgar language, or causes any type of discord. Respect must be shown at all times toward peers, customers, and staff.

COMPLIANCE

Students must comply with all instructions, directives, and orders given by the school personnel relative to school activities. Also, students must comply with the school's Standards of Performance, Policies and Procedures, and State Rules and Regulations.

RECEPTION DESK

The school reception desk is not a gathering place for students. Standing at the desk is unsightly to clients entering the school and disrupts the duties of the school receptionist. Only the reception manager and assigned students are allowed to be behind the desk. All appointments are to be made by the receptionist, designated staff member, or assigned student(s). All personnel, including teachers, must follow this procedure to insure consistency, customer service and professionalism.

LAST CLINIC APPOINTMENT TAKEN

The last appointment taken should reflect the normal total time needed to complete the full service.

DISPENSING OF EQUIPMENT AND MATERIALS

The dispensary is responsible for dispensing supplies to ensure inventory control. It will be necessary for the student to present the client work ticket before any supplies will be released. If a student is checking out an implement, they must provide their time card. Upon return of the checked out items, the student time card will be released.

SERVING THE PUBLIC

All students will be serving the public and must be courteous and pleasant. Students must take all appointments assigned to them after completing specific modules/cycles. Students are to be prepared with all necessary equipment needed to complete the service. A student is not to leave a client during a service while a chemical is processing, during a facial peel, or while an electric apparatus is applied to the skin, unless another student has been assigned by the teacher. Should a student leave a client with any of the above-mentioned work, they will face disciplinary actions as deemed appropriate.

COSMETOLOGIST SERVICE PROTOCOL

1. When students are called to the reception desk for an appointment, they will pick up the work ticket, which will indicate the type of service his/her client has scheduled.
2. The student will greet the client in a professional manner and direct them to assigned station. The work ticket must be prominently displayed on the work station.
3. After completing the consultation process, it may be necessary for the student to consult with the floor instructor before the service begins. Additional services may be added and a client charged accordingly.
4. The work ticket must be presented before any product is dispensed.
5. Throughout the service, educate the client as to what additional services may be required or retail products that maintain the quality of service.
6. Upon completion of the service, the student will walk the client to the reception desk to complete their transaction, suggest any retail products, and book for their next appointment.

ESTHETICS SERVICE PROTOCOL

1. An appointment schedule for the day (already properly rotated by the teacher) will be delivered to the senior esthetic classroom and to the dispensary by 8:20 A.M. (FT students) and 4:15PM (PT students).
2. Esthetics students can receive the key to the treatment room up to 15 minutes before their scheduled appointment. This should allow sufficient time to set up the room.

3. Once the client arrives, the front desk will check them; instructors will complete a consultation, and print out their work ticket. The Esthetics student will be paged to the reception desk and given the client's work tickets and a completed client consultation form. The student must leave their badge at the reception desk to receive a clipboard.
4. The client will be escorted to the treatment room where the clients' consultation is conducted and their skin is analyzed. Products to be used for the service are entered on the consultation form. The student then must have an instructor check product formulation and initial consultation form.
5. Work tickets and initialed consultation forms are presented for product disbursement.
6. Service is performed.
7. After service, the client is escorted for booking next appointment, and purchasing any retail products.
8. Students will return clipboard and completed client consultation to the reception desk. ID badges will be returned to the student.
9. A student cleans room and turns in key to the teacher for room inspection and grading of service and sanitation.

PERSONAL SERVICES

There is no personal service during time clocked in. A student is not allowed to clock out in order to have services performed. There are various times during our Curriculum where students are encouraged and required to maintain and update their professional image. These are the only allowed times for personal services.

SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS:

Satisfactory Academic Progress is consistently applied to all students enrolled at the school. This policy is reviewed during orientation and the catalog is available on the Adrian's website. The college expects its students to maintain Satisfactory Attendance and Academic Progress (SAP). You will be evaluated on two (2) criteria.

1. Attendance - Must average at least 67% of scheduled hours of attendance. Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the prior period will be added to attendance from the preceding periods to determine whether the student will complete the course within the maximum time frame.
2. Academic - Students must average at least 70% in theory work which consists of tests, homework, and practical operations. Homework may include project assignments.
You will be evaluated based on the course in which you are enrolled. See Evaluation Periods. In order to maintain SAP as established by this institution a student must:
 - A. Maintain a cumulative academic average of "C" (70%) or better on all test, work projects, operations and other required course work, such as workbooks or assigned independent study.
 - B. Maintain a minimum cumulative attendance of 67%.
 - i. Full time enrollment is defined as a minimum of 30 hours per week, half time enrollment is defined as a minimum of 15 hours per week, and part time enrollment is defined as an enrollment schedule of less than 30 hours per week... Scheduled attendance is defined as the hours per week/month the student has contracted for on the enrollment agreement (contract.) For example, a student scheduled to complete 30 hours per week would have to maintain an average weekly attendance of at least 20 hours per week ($.667 \times 30 = 20$). In addition to attendance standards relating to Satisfactory Academic progress, students are also required to adhere to certain other general institutional policies relating to attendance, tardiness and school rules and regulations. These policies are outlined in this school catalog.

Students must meet minimum academic and attendance requirements for at least one evaluation prior to the midpoint of the course to be considered as meeting satisfactory progress. Students meeting the minimum requirements for attendance and academic progress at an evaluation will be considered to be making satisfactory progress until the next evaluation.

Title IV Recipients to be eligible for funding must meet the hour requirements as described on the Federal award letter. A student who does not meet the minimum standards is no longer eligible for Title IV, HEA program funds, unless on warning or prevails upon appeal.

A maximum time frame is considered to be 150% of the course length as defined on an enrollment contract. A student who reaches the maximum time frame will be dropped. An approved Leave of Absence, not to exceed 180 days will extend the maximum time frame and the contract period. Transfer Hours from another program or another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Maximum Time for the Cosmetology Program is 2400 hours; Esthetic Program is 900 hours; Manicuring 600 hours; Teacher Training Training is 900 hours, Barbering is 2250, Barber Crossover is 300

A student will be notified of any evaluation period that impacts eligibility for financial aid, if applicable. Transfer hours that are accepted are counted as both attempted and completed hours.

Students are given a report card which lists satisfactory academic progress results.

Students who withdrawal and re-enter school will enter in the same progress status as when they left. Course incompletes,

Repetition and non-credit remedial courses are not offered and have no effect on the satisfactory academic progress standards.

GRADING SYSTEM

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Evaluation reports are issued to the students at the time of their completion of each module. This evaluation form reflects the overall attendance and academic progress of each student. Academic grade is derived from an equal weighting of tests, homework, and practical operations. Students must maintain a "C" attendance average (67%) to maintain satisfactory progress. A student must maintain a "C" (70%) academic average to maintain satisfactory progress.

The grading system detailed below is the system utilized by the college.

Grading Symbol	Quality of Points	Academic Average	Attendance Average	
A	Superior Attainment of Course Objectives	100-90%	100-90%	
B	Good Attainment of Course Objectives	89 - 80%	89-80%	
C	Acceptable attainment of course objectives	79- 70 %	79-67%	
D	Poor attainment of course objectives	69-60	66-60	
F	Not attaining course objectives	Below 59	Below 59	

Note: Attendance is evaluated on both a evaluation period and a cumulative basis. At each evaluation point, the attendance from this evaluation will be added to the attendance from the preceding months to determine whether the student will complete the course within the maximum time frame established in this policy.

SATISFACTORY ACADEMIC PROGRESS POLICY

The following levels must be achieved for a student to be making satisfactory progress in our colleges.

- A. An overall academic grade average of 70% for theory and practical work

- B. Academic probation. The probationary period will be the second consecutive evaluation period in which the student failed to maintain satisfactory progress. During this time the student can bring up grades and/or attendance, and will not be eligible for Title IV Federal Financial Aid and/or Veterans benefits.
- C. No personal service if on warning or probation will be allowed.

ACADEMIC AND ATTENDANCE PROBATION

Students who fail to meet the Satisfactory Academic Progress (SAP) standards at any given evaluation point will be placed on academic and/or attendance warning, during their next evaluation period. Students **remain** eligible to receive financial aid during warning and will be considered as making satisfactory progress during this warning period. Students on warning who fail to meet SAP by the conclusion of the warning period will not be eligible for Title IV funds unless they prevail upon appeal of the determination that has resulted in the status of probation.

Prior to a student being placed on the status of Probation that student must meet each element outlined below:

- a) The institution evaluates the student's progress and determines that the student did not make satisfactory academic progress during the warning or previous evaluation period; **and**
- b) The student does not prevail upon appeal of a negative progress determination prior to being placed on probation;**and**
- c) The institution determines that satisfactory academic progress standards can be met by the end of the subsequent evaluation period; **or**
- d) The institution develops an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

*A student is not allowed back to back probationary statuses.

To re-establish "Satisfactory Academic Progress Standards", a student must follow one of the two options.

1. A student may appeal the negative progress determination within 10 days, and if the appeal is approved, the student will be placed on probation, if the institution determines that the standards can be met by the next evaluation, and develops an academic plan. During this period, a student will be eligible to receive financial aid.

Student who do not prevail on appeal

2. A student that does not appeal its negative SAP status at the beginning of the "Probation" status, or his/her appeal is denied, can continue to attend without financial aid. The student will be responsible for making cash payments to continue their education. If at the end of this evaluation period the student is still not meeting SAP or 150%, the student will be terminated. If a student chooses to appeal termination of their enrollment, the student must follow the appeal procedure.

In addition, VA benefits will be terminated and the Veteran's Administration will be promptly notified. For the duration of Probation, the student will also lose the following privileges: advanced training, personal services, in house discounts, and family discounts.

APPEAL PROCEDURE

Students who disagree with any final determination by the Administration must follow these procedures. Students who are in negative progress after failing to achieve minimum satisfactory progress requirements may appeal this determination. The student must submit a written appeal to the School Director, within 10 days, along with any supporting documentation that will allow for the appeal like; death of a relative, an injury or illness of the student or immediate family member, or any other allowable circumstances to substantiate not being able to maintain Satisfactory Progress, which gives reasons why the decision to terminate (or the situation you're appealing, and what has changed in the student's situation that will allow the achievement of satisfactory academic progress at the next evaluation) should be reversed, and a request for a re-evaluation of progress or request for further investigation. The School Director, within ten (10) business days of receipt of termination, must receive this appeal. Should a student fail to appeal this decision, the decision to terminate will stand and the student loses their right for further remedies.

If an appeal is received within the 10 days as required and is complete an appeal hearing will be scheduled within forty-five (45) days from receipt of the appeal. This hearing will be attended by the student, the student's teacher, Student Affairs Representative, Assoc. and/or School Director and an Administrative Staff member from a different location. The student will be given 15 minutes to present their case for continuation of enrollment. The appeal board members will be given a maximum of thirty minutes for 2 questions. The student will be dismissed from the proceeding. Fifteen minutes will be allowed for appeal board discussion. A written vote will be taken and counted by the facilitator; the Majority vote rules. A decision on the student's appeal will be made within three (3) business days by the School Director and will be communicated to the student in writing. **This decision will be final.**

The student's letter, documents and results of the appeal are documented in the student's file. Should a student prevail on the appeal and be determined as making satisfactory progress, the student will be automatically re-entered in the course, and financial aid funds will be reinstated to the student.

COURSE INCOMPLETE

A student that withdraws from the program, and later comes back, returns at the same Satisfactory Academic Progress status as the point of withdrawal.

A student making satisfactory progress at the point of withdrawal may apply for re-enrollment.

Repetitions, Non-Credit remedial courses have no effect upon a student's satisfactory progress status in this college.

LEAVE OF ABSENCE (LOA)

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance. An LOA is not required if a student is not in attendance only for an institutional scheduled break. However, a scheduled break may occur during an LOA.

LOA CRITERIA/PROCEDURES

1. A leave of absence will be granted for the following reasons:
Medical, Active Military, Jury Duty, Mitigating circumstances, and Personal Reasons
2. The LOA form must be completed and submitted in writing to the School Director.
3. Minimum leave of absence requires at least 1 week intervals.
4. A student must apply for a leave of absence in advance, unless unforeseen circumstances prevent the student from doing so.
5. Leave of absences not applied for in advance are given for emergency situations and will be documented by staff on the leave of absence form and the form and any documentation will be completed once the student returns to school.
6. Adrian's Beauty College reserves the right to amend this policy on a case by case basis.
7. LOA's are granted for a maximum of 180 days in 12 months from the 1st day of the first requested Leave of absence.
8. *A student must return from the leave of absence prior to or on the return date on the form.*
9. Failure to return from a Leave of Absence will result in a student being terminated immediately from the college. This will be considered to be the student's withdrawal date.
10. An leave of absence extension may be requested prior to the end of the original leave of absence return date.
11. Students who do not return from a Leave of Absence, repayment on your student loans begins 6 months after your last date of attendance.

A student that does not follow and complete the LOA procedures, will have all of his/her time missed counted as absences from school; the student will incur overtime charges as a result, and this will affect the student's Satisfactory Academic Progress. A student that misses 14 calendar days without an official Leave of Absence, will be considered withdrawn from the program and his/her contract will be terminated.

****Veterans Students** Veteran's Benefits will be suspended while a student is on an approved Leave of Absence. Once the student has regained active status with the College, benefits will resume.**

SCHOOL CLOSURES

If the school permanently closes, students will receive a pro-rata refund of tuition as required by State & Federal guidelines.

BUYERS RIGHT TO CANCEL AND REFUND/WITHDRAWAL POLICY

REFUND POLICY OUTLINE: The REFUND POLICY can also be found within the Enrollment Agreement. *All Enrolled Students* will receive a copy of the Enrollment Agreement.

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at your campus at the following addresses: Adrian's Beauty College, 1340 W. Main St., Turlock, Ca. 95380; North Adrian's College of Beauty, 124 Floyd Ave., Modesto, Ca 95350; Adrians Beauty College of Tracy, 3000 W. Grantline Rd., Tracy, Ca 95304. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled within the 7 days from signing the Enrollment Agreement, the school will refund the student any money he/she paid, less a registration fee not to exceed

\$75.00, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.

6. A withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited, to a student's lack of attendance.

WITHDRAWAL FROM THE PROGRAM/INSTITUTIONAL REFUND POLICY

This policy applies to all terminations or withdrawals for any reason, by either party, including student decision, course or program cancellation, or school closure.

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The refund will be less a registration or administration fee not to exceed \$75.00. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund. Books, Kit, Lab Fees are non-refundable.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution in writing of the withdrawal.
- The institution terminates the student's enrollment for failure to maintain satisfactory academic progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

The school will issue an Official Transcript of Hours to student's who withdraw prior to program completion when the student has successfully completed the required exit paperwork, attended an exit interview and made satisfactory arrangements for debts owed the school as approved by the School.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If a Title IV financial aid recipient withdraws prior to course completion, a calculation for the return of TIV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Direct Student Loan Program; second to subsidized Federal Direct Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to TIV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

Institutions shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed \$75, if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

In the event of a course/program cancellation or school closure a student will be charged for scheduled hours and any applicable non-refundable items or fees.

FEDERAL RETURN OF TITLE IV FUNDS POLICY

When a student withdraws before completing 60 % of the payment period, the school is required to perform a "Return to Title IV" (R2T4) calculation to determine the amount of financial aid a student has earned during the payment period. The return amount is calculated by dividing the scheduled hours that the student could have attended by the scheduled payment period.

The withdrawal date used for a student that withdraws, **officially or unofficially**, is last day of attendance recorded. The determination withdrawal date is the date the student notifies the school of his/her intent to withdraw. A student that does not attend and/or does not contact the school for 14 consecutive days will be withdrawn on the 15th day.

Also, a student that does not return from an approved Leave of Absence will also be withdrawn from the school, and the last day of withdrawal for this student will be the last day of attendance prior to the approved Leave of Absence.

A student would be owed a post-disbursement of Title IV funds upon withdrawal from the Institution if the amount already received is less than the amount the student earned, and for which the student is otherwise eligible. The student would be then eligible to receive a Post-withdrawal disbursement of the earned aid that was not received. A school must offer any amount of a Post-withdrawal disbursement that is not credited to the student's account within 30 days of the determination. A Pell disbursement can be posted without the student's approval/notification; however, a Federal loan disbursement will require the student consent of approval prior to the school disbursing such funds.

The Order that Title IV program funds must be returned:

1. Federal Direct Unsubsidized Loan
2. Federal Direct Subsidized Loan
3. Federal PLUS Loan
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)

Time frame to return funds to the Federal program is 45 days from the Date of Determination of the student's withdrawal.

"Example of a Return of Title IV (Federal Aid)"

This is a sample of a student's Return of Title IV aid calculation using a Payment Period of 450 Clock hours and assuming the student received the following aid during his/her payment period.

Pell	\$2,775
Subsidized Direct Loan	\$1,742
Unsubsidized Direct Loan	\$2,985
Total Funding Received	\$7,502

How earned aid is calculated:

The school determines the clock hours completed in the payment period and divides those hours by total clock hours in the payment period. If the percentage is greater than 60%, the student has earned 100% of his/her and no Title IV aid received is returned to the Federal program. However, if the percentage is equal to 60% or less, the school is required to calculate the amount the student earned in the payment period. For example, let's assume a student completes 225 out of the 450. In this scenario,

the school will divide 225 clock hours completed by 450 clock hours in the payment period resulting in a 50%. The school then multiplies 50% against the amount of Federal Aid the student received to calculate the amount the student earned.

After a return of Title IV aid is performed, a student may still owe a balance to the school.

TUITION AND FEE POLICIES

All tuition and fees are due upon enrollment.

ADDITIONAL INCIDENTAL COSTS FOR ALL COURSES

Binders, pens, pencils, note paper, uniforms, products for student practice, sanitary containers, examination fee for the State examination, rental kit fee for the State examination are all incidental costs for all of the courses at the college. These items must be purchased by the student either at the college or paid for outside of the college. Should a student use the ATM card, a use fee of 4% will be added per transaction. If a credit card is used to pay a tuition payment, four percent will be charged on the payment made by credit card.

TUITION FEE FOR RE-ENROLLED / TRANSFER STUDENTS

The hourly tuition charges for transfer or re-enrolled students who have prior hours are charged the current hourly rate per course at the time the enrollment agreement is signed.

TUITION FEE FOR ADDITIONAL TRAINING

The student must complete the required hours within the maximum possible hour time frame, on the enrollment agreement (contract.) If the student fails to complete the required hours, training will stop or an additional training fee will be charged. This fee will be charged for all hours that have elapsed beyond the contract date until the student has completed the prescribed course. Once the student has consumed the additional hours allowed within the contract time frame the student then must immediately make financial arrangements with the financial aid office to satisfy the debt incurred by excess absence(s). Arrangements must be made to have these additional missed hours paid for prior to the student clocking back into school.

Example: If a student was contracted to complete training on April 10th, as of April 10th, the student has 48 clock hours remaining to complete the course hours. The student would then have additional training charges (48 hours x cost per course hours) payable to the school before graduation. The college will endeavor to assist the student to complete their program, but the responsibility remains entirely with the student. As a courtesy at each evaluation period, the school will compute student's overtime. Any potential overtime will be added to the student's ledger. This will give the student ample opportunity to pay on overtime fees prior to their last contracted date. If a student withdraws prior to their last contracted date any overtime charged will be credited before the Refund policies are applied. Prior to graduation a final overtime charge based on the contracted graduation date is performed and any charges for overtime are corrected.

It is dependent upon determination of eligibility, enrollment status, cost of attendance and a payment schedule issued by the U.S. Department of Education. A grant does not have to be repaid.

GENERAL FINANCIAL AID INFORMATION

Full time Career Advisors are available to assist you in obtaining the financial assistance required to meet your educational needs. You may apply for financial aid by contacting a Career Advisor to discuss the

process and time lines to apply for aid and completing the Free Application for Federal Student Aid (FAFSA).

The FAFSA helps determine the amount of assistance for which you are eligible. This analysis takes into account factors such as income, assets, number of family members in your household, and the number of your family members enrolled in college.

When to apply: you should apply for financial aid as soon as you decide to enroll at Adrians Beauty College. Your Career Advisor will assist you with the forms needed to begin the application process. You should have a complete financial aid file to ensure timely receipt of financial aid funds. A complete financial aid file consists of Adrians Beauty College receipt of a student's FAFSA data from the Department of Education, a completed loan entrance interview (if required), and submission of verification items (if required).

You must complete the Free Application for Federal Student Aid (FAFSA), Renewal FAFSA or FAFSA on the Web (FOTW) worksheet. You must come in to the school in person to complete the FAFSA or renewal or FOTW worksheet.

WHAT HAPPENS NEXT?

Once you have submitted the FAFSA or FOTW, you will be sent a Student Aid Report (SAR or e-SAR). The SAR or e-SAR should be checked for accuracy. Contact the school immediately in case you think corrections are needed. Once the SAR or e-SAR has been determined to be complete, a financial aid award letter will be sent to you which will state the student need (the cost of your education), family contribution, amount of grants awarded, and the amount of loans needed. If you are chosen for verification or have a C code, you must complete the verification process before disbursement will take place. You will have 14 calendar days to complete process. If you cannot complete the process within 14 days funds will not be disbursed. In order to receive unsubsidized or subsidized PLUS loan funds you must complete a Master Promissory Note and school entrance interview.

Funds are then distributed by the Student Accounts personnel and you will be sent a receipt. Award and loan funds are typically disbursed after 30 days for the first year students and within two weeks for second year students.

Upon graduation you will have an exit interview which will cover the schedules of repayment, terms of repayment, as well as loan exit counseling.

COMPLIANCE STATEMENT

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of their social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

FINANCIAL AID PHILOSOPHY

This college believes that the talents, hopes, and ambitions of all people are among our nation's most valued possession. With this thought in mind, this college continues to promote scholarship, grant and loan opportunities for qualified, deserving students who must find funds to attend college. The fundamental purpose of this college's financial aid programs is, therefore, to make it possible for students

who would normally be deprived of a college education because of inadequate funds, to attend college. The following principles have been adopted for our financial aid program.

PRINCIPLES

1. This college will work with schools, community groups, and other educational institutions in support of the national goal of equality of educational opportunities.
2. The expected family contributions affect the student's cost of education. This school expects parents to contribute financially, according to their means, taking into account, their incomes, assets, number of dependents, and other relevant information. Students are also expected to contribute from their own earnings and assets, including borrowing against future earnings.
3. Financial aid will be offered after determining whether the family's resources are insufficient to meet the student's educational expenses. The amount of aid offered will not exceed the amount needed to meet the difference between the student's total educational expenses and the family's resources.
4. In awarding funds to eligible students, the amount and the type of self help will be related to the circumstances of the individual and the largest amount of grant assistance will be offered to students with the least ability to pay.

FINANCIAL AID MECHANISM

Financial aid is a mechanism that reduces out of pocket costs those students and/or parents must pay to obtain a specific Post Secondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants, loans, or part time work. Grants do not have to be repaid. Loans usually have low interest rates and must be repaid in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student's termination from the program or if a student's attendance falls below half time. Financial aid is awarded to students who have "need." Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

STUDENT ELIGIBILITY REQUIREMENTS

- To be eligible for financial aid, a student must:
- Be admitted as a regular student.
- Be enrolled or accepted for enrollment in an eligible program on at least a half time basis.
- Be a citizen or an eligible non-citizen
- Not owe a refund on a Pell Grant or SEOG at any school

APPLICATION PROCEDURES AND FORMS

Financial aid applications for this institution consist of the following:

STUDENT QUESTIONNAIRE

- Free Application for Federal Student Aid (FAFSA). This form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the Financial Aid Office.
- Enrollment contract.
- Statement of Educational purpose.
- Statement regarding prior financial aid. Neither defaulted loans, nor refunds due are outstanding.
- Statement of Registration compliance.
- Statement of Utilization of funds and disbursement procedures.
- Verification process if selected by the Federal Student Aid Commission includes documentation regarding income, assets, and status.

UNSUBSIDIZED DIRECT LOANS & DIRECT PARENT PLUS

These loans expand the ability of students to receive loan funds. These loans carry many of the same terms and conditions associated with subsidized loans with the following two exceptions:

1. Unsubsidized Direct loans are not based on need. Students may borrow up to \$25,000, not to exceed annual loan limits.
2. There are no interest subsidies by the Federal Government on the loans, therefore while the student is enrolled or during periods of deferment, interest must either be paid or capitalized. I.e. added to the principle balance.
3. Student will pay interest based on credit reliability and co-signers credit reliability. Students may apply for and receive more than one unsubsidized direct loan provided the combined amount borrowed does not exceed applicable loan limits.

*Unsubsidized Direct Loans are need based up to \$6000, Direct Parent PLUS loans are need based up to remaining need.

If a student obtains a loan to pay for a educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student received federal student financial aid funds, the student is entitled to a refund of the monies not paid from the federal student financial aid program funds.

DEADLINES: Most lenders require applications to be submitted at least 30 days prior to the class start.

DISBURSEMENT: Lenders issued checks payable to the student only or co-payable to the college and the student. It is the student's responsibility to submit all forms and documentation to the financial aid office in accordance with the deadlines applicable to each loan program from which aid is being requested. It is the student's responsibility to comply with all obligations involved in the receipt of federal and/or state aid. For more information about these programs, including application procedures, eligibility, rights and obligations pertaining to each program, please refer to the U.S.D.O.E. Student Guide. Loans are certified for institutional charges only.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (SEOG)

Funds received under this program are not subject to repayment by the student.

DEADLINE: You may apply during the enrollment process, using the college's forms and procedures. Each school sets its own deadlines for receiving applications; however, since the government limits these funds, the school awards them on a first come, first served basis. The school will provide you a letter listing the amount and types of financial aid you will get, including the SEOG award.

DISBURSEMENT: On the basis of per payment period via a check payable to the student or via a direct credit to the student's tuition account. Priority for SEOG funds will be given to those students with the lowest expected family contribution who will receive Pell Grants. Because of this institution's policy of year round enrollment, funds will be allocated on a first come, first served basis for those individuals meeting this criteria. Professional judgment may be used for certain exceptions based on extenuating circumstances with appropriate documentation. Please refer to FSEOG selection criteria. For additional information on each of the Federal Financial Aid programs described above, review, "The Student Guide" published by the United States Department of Education. This publication is available at the college and at public libraries.

DETERMINING NEED

The information you report when you apply for aid is used in a formula, established by Congress, which calculates your Expected Family Contribution. Adrians Beauty College utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

AWARD CONCEPT, SELECTION OF RECIPIENTS AND PACKAGING CRITERIA

Schools frequently do not receive enough Campus based funds to satisfy all the student financial needs. Therefore, the school emphasized the self help concept of student financial assistance. The **self help concept** is on a first come, first served basis when awarding eligible applicants. If the student does not wish to assume the combined debt of two or more loans, they may decline any loans offered by the school. *ALL LOANS MUST BE REPAID.*

The SELF HELP CONCEPT lists types of financial assistance in the following order:

1. Family Contributions
2. Other resources
3. Pell Grant
4. Self Help (lenders)

RECOVERIES

Recoveries resulting on funds paid to students for personal expenses which exceed the amount needed (based on the months attended times the monthly budget allowance) will be due from the student to

the Title IV Programs. Students will be required to pay for recoveries to the program in this prescribed order, First FEDERAL PELL GRANTS and Second to FEDERAL SEOG Grants.

REFUNDS

In a case where a refund is due to the Title IV Programs, the application of the refund will be made as follows: Direct, PLUS, FPELL, and FSEOG. This order will be applied providing the student received funds from that program and in amounts not to exceed the amounts originally paid from each program. Refund due to the lender or the aid programs account will be made within 45 days. When a student requests a transfer to another school, Adrians Beauty College may charge a reasonable fee, not to exceed \$25.00 for preparation of academic and financial documentation requested by the student.

TRANSFER STUDENT

A student who attended a post-secondary institution prior to the enrollment at Adrians Beauty College, is required to provide a Financial Aid transcript from each of the institutions attended if requested on the student's ISIR. The institution utilizes USDOE's ED Express Software for processing of financial aid, and the NSLDS system, this allows us to check a student's attendance so that less overpayment situations occur.

VERIFICATION PROCESS

Federal regulations 34 C.F.R. Part 668, Subpart E, dated March 14, 1986, executing legislation 20 U.S.C. 1094 governing the Title IV programs require schools to be sure of certain applicant reported data. These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs. Under the regulations, the school will not disburse Pell or Campus based aid until completion of verification by the mid-point.

WHO MUST BE VERIFIED:

The policy of this school shall be to verify those students selected by the need analysis (SAR or ISIR) system for verification. In the absence of conflicting documentation, applicants excluded from verification include:

- Legal Residents of the Trust Territory of the Pacific Islands, Guan, Samoa, and the Marianna islands. This includes dependent students whose parents are also legal residents of one of these islands.
- Dependent students whose parents are residing in a country other than the United States. This applies to other than the United States and only if the student cannot contact the parents by normal means.
- Dependent students whose parents are dead or are physically or mentally ill, or whose parents address is unknown.
- Immigrants who arrived in the United States during either the calendar year or Award Year.
- Those submitted for an Award Year if the applicant dies during the Award Year.
- Those submitted for an Award year if the applicant is imprisoned at the time of verification.
- Those submitted when the applicant does not receive financial assistance for reasons other than their failure to confirm information on the application.
- Other exclusions, on a documented individual case basis, at the discretion of the financial aid officer. An applicant need not document spouse information or provide a spouse's signature if:
 - a. The spouse is residing in another country and the student cannot contact the spouse by normal means of communication.
 - b. The student cannot locate the spouse because their address is unknown.
 - c. The spouse is dead, or mentally or physically ill.

VERIFICATION ITEMS:

Examine the data items listed in 34 C.F.R. 668.56. Different data items apply to different applicants depending upon student dependency status and the Title IV programs used. Data items include.

- Adjusted gross income (AGI) or adjusted gross family income (AGFI) for the base year.
- U.S. income tax paid for the base year.
- Total number of family members in the household, if that number is greater than two dependent students and one for independent students.
- The number of family members in the household now enrolled as at least half time students in postsecondary educational institutions.
- The factors relating to an applicants independent student status.
- Untaxed income and benefits for the base year including:
 - Social Security benefits
 - Child Support, if the student has information regarding child support or has reason to believe the student received support.
 - Income tax deduction for a payment made to an Individual Retirement Account or Keogh account.

The following other untaxed income and benefits:

- Untaxed dividends and capital gains.
- Foreign income omission, if the school has information regarding the omission or has reason to believe the student omitted foreign income.
- Earned income credit.

The school shall resolve inconsistent, application information for all applicants, in agreement with requirements of 34 C.F.R. Part 688.16(f).

DOCUMENTATION REQUIRED:

To confirm adjusted gross income (AGI/AGFI), and income tax paid, applicants shall provide the appropriate income tax transcripts (IRS 1040, 1040A, or 1040EX) of the applicant, applicant's spouse, and/or applicant's parents. The student must provide a signed copy of the income tax transcript. For non-tax filers, the school's financial aid officer will request appropriate documentation. For all students selected for verification, a verification worksheet is to be filled out and signed by all appropriate parties. This worksheet will confirm the number of household members, number of household members in college, and verification of income source.

APPLICANT'S RESPONSIBILITIES:

To be eligible to receive Title IV funds, applicants are required to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following items are correct as listed on the original application: or, if not correct, they must update the data items, as of the date of verification.

- Number of family members in the household.
- Number of family members in the household now enrolled as at least half time students on Postsecondary educational institutions.
- Change in dependency status. Pell Grant applicants whose dependency status changes during the Award year must file a correction application. This process does not apply if the change occurs due to marriage. Campus based applicants whose dependency status changes during the Award Year must have their EFC recalculated. This process does not apply if the change occurs due to marriage, the applicant must repay any over award, or any award, discovered during verification, for which the student was not eligible.

CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTATION WITHIN THE SPECIFIED TIME PERIOD(S):

If the student cannot provide all required documentation, the school cannot complete the verification process by the mid point. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:

- The student may continue training on a cash payment basis, to be arranged through a new contract.
- The student may withdraw and re-enroll, but must pay withdrawal fees and enrollment fees. There will be no loss of credit earned when the student provides all proof, and verification is complete. The student may be accepted at the level of training in which they were withdrawn depending on classroom space.
- The applicant must repay any over award or any award for which the student was not eligible as discovered during the verification process.

TOLERANCES:

For the Pell SAR, with an original EFC (Expected Family Contribution) of zero, the school shall use the zero EFC Charts to determine whether the applicant must resubmit their SAR because of a change in information. The student must make appropriate corrections on Part 2 of the SAR. A new EFC is computed when required as a result of comments on the SAR, and/or as a result of data item changes. This occurs regardless of the absolute error amount

For the Campus based programs, the school shall recalculate an applicant's EFC if:

- There are any errors in non dollar items used to calculate the EFC, and/or;
- There is an absolute dollar error of \$100.

NOTIFICATION OF RESULTS OF VERIFICATION:

The school shall notify the applicant of additional information or documentation needed for verification. This occurs through contact with the financial aid officer or by mailing to the applicant's resident address the Verification Follow Up Form. This form indicates additional items needed. The school shall notify the applicant of any change in the originally computed Pell Grant award. The student shall sign and date the SAR certified for payment.

The school shall notify the applicant when they complete verification by:

- Obtaining the student's signature and date on the SAR certified for payment.
- Providing the student a receipt for any Campus based funds credited to their tuition account.

REFERRAL PROCEDURE:

The school shall forward to the Secretary of Education, the name, social security number, and other information, on any applicant receiving funds. The school reports on possibly incorrect information after they make a reasonable effort to resolve the discrepancy. Under implementation of the regulation, the school shall refer to appropriate authorities the name, social security number, and other information about the applicant to satisfy 34 C.F.R. 668.1.4(g).

SAFETY REQUIREMENTS-BOARD OF BARBERING & COSMETOLOGY

The school is approved by the State of California, Board of Barbering & Cosmetology and must adhere to the Cosmetology Act, Board Rules & Regulations. By enrolling the student also agrees to abide by these rules. Failure to do so can mean disciplinary action or termination. These rules will be reviewed throughout your course.

DISCRIMINATION GRIEVANCE PROCEDURE

This process is intended for any student who believes that he or she has been discriminated against by any member of the College community to file a complaint and have that complaint resolved by the College. In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. These procedures are available in the College's Catalog and Consumer Guide. Students should read these procedures to familiarize themselves with the steps to follow should they want to file a complaint.

How to file a Complaint

A student who believes that he or she has experienced or witnessed discrimination should promptly report such incidents to their Educator. Students should complete the Discrimination Grievance Form ("Complaint") and submit it to the school Director at the student's campus. If a Complaint is submitted in another written format, such as a letter, the College may ask the student to complete the form but a complaint will not be rejected because a form was not used. All complaints must be filed no later than 90 calendar days after the event giving rise to the incident. The time period for filing a Complaint may be extended for good cause as determined by the school Director. A copy of the Complaint form can be found in the Financial Aid Office at each campus. A student may choose to participate in an Informal Process, or a Formal Process, described below.

1. *Handling of a Complaint*

1.1 After a Complaint is received, the Title IX Coordinator will either assign him or herself the role of Investigator, or select an impartial faculty or staff member or third party investigator who has received training in conducting an investigation and the laws regarding discrimination (the "Investigator"). In no event will the Investigator be a person who is alleged to have engaged in the complained of behavior (the "Accused"), a person who reports to a person who is the Accused, is a relative of the Accused, or otherwise has an actual or perceived conflict of interest in the process.

2. Optional Informal Process

Within two school days of receiving the Complaint, the Investigator shall notify the student who filed the Complaint (the Complainant) of the option to participate in an optional informal resolution process. The Complainant is not required to participate in this process or meet directly with the Accused. This is an optional process that the Complainant may terminate at any time. During this optional process, the Complainant and the Accused, along with the Title IX Coordinator or the Campus Student Affairs Representative will attempt to resolve the dispute. The details of the Optional Informal Resolution Process will be kept confidential by all parties involved. The Optional Informal Process will last no longer than 10 calendar days from the date of the Complaint, regardless of whether the matter is unresolved at the end of the 10th calendar day, after which it will be referred for the Formal Process.

If a resolution is reached in the Optional Informal Process, the details of the resolution will be memorialized in an Optional Informal Resolution Agreement, that will be signed by the School Director and the Complainant. The matter shall be considered closed and the Complainant is precluded from filing a new complaint or an appeal concerning the same incident, except where the terms of the resolution are violated or have been ineffective in stopping the discrimination.

Evidence of final resolution of all Complaints will be retained in College files in order to determine the frequency, nature, and patterns of complaints for the institution.

If the Complainant chooses to participate in this Optional Informal Process, the investigation into the complaint will be suspended until the completion of the Optional Informal Process, or the Complainant terminates the Informal Resolution Process. If Adrian's Beauty College determines during the Optional Informal Process that discrimination has occurred, it will take all appropriate steps to prevent the recurrence of the discrimination and to correct the effects on the complainants and others, if appropriate.

When informal dispute resolution is unsuccessful or not possible, a Complaint will be processed using the Formal Process.

3. Formal Process

3.1 *Investigation into Complaint.*

The college will provide an adequate, reliable, and impartial investigation of complaints, including an equal opportunity to present witnesses and other relevant evidence. In all cases, the individual who plays a role in receiving, investigating, or otherwise processing of student complaints of discrimination will not have any actual or perceived conflict of interest in the process. An investigation into a Complaint will commence within five school days from receiving the complaint, unless Section 2 above is applicable or the student withdraws the Complaint.

The Investigator will investigate the Complaint and document his or her efforts and findings. The investigation shall include, but not be limited to, review of records, notes, or statements related to the complaint; interviewing witnesses; interviewing the Complainant; and interviewing the Accused. At no time will the Complainant and the Accused be interviewed together.

The investigation must be completed within 30 calendar days after receiving a Complaint or within 30 days from the date of the referral from the Informal Process. This time period maybe extended by the school Director upon a showing of good cause that additional time is necessary to conduct a fair investigation. However, it is the College's policy to make reasonable efforts to complete the investigation within the 30-calendar-day time period. If an extension is needed, the school Director will notify the Complainant and Accused in writing of the extension and the reason for the extension.

3.2 *Written Report.*

Within 10 calendar days after the completion of an investigation, the Investigator will provide a written report of the investigation to the school Director. The written report will include a summary of the allegations, a description of the investigation, a description of the relevant information gathered, a determination of whether or not the incidents alleged occurred and the specific evidence to support this determination, and whether such incidents constitute discrimination. In determining whether or not the incidents alleged occurred, the Investigator may take into account the following:

- a. The statements made by the parties and all witnesses;
- b. The details and consistency of each person's account;
- c. Evidence of how the Accused reacted to the incident and the Complaint;
- d. The credibility of the evidence presented;
- e. Evidence of any past instances of unlawful discrimination, harassment, or retaliation or other misconduct; and
- f. Any other information the Investigator finds as relevant.

The decision of whether the incident(s) that occurred constitute prohibited discrimination must be supported by a preponderance of the evidence. A preponderance of the evidence means that the evidence presented shows that one result is more likely than not to be true.

3.3 *Response to Complaint*

Within seven calendar days after receiving the report from the Investigator, the school Director must determine a response to the Complaint. In reaching a decision as to how to respond, the school Director may take into consideration the following:

- a. The report and recommendation of the Investigator;
- b. The effect of the misconduct on the Complainant;
- c. The type, frequency, and duration of the misconduct;
- d. The relationship between the Complainant and Accused;
- e. The number of people engaged in the alleged conduct;
- f. The context of the alleged conduct;
- g. Other incidents of alleged misconduct by the Accused;
- h. Advice of legal counsel or other professionals;
- i. Whether an Optional Informal Resolution Agreement was violated; and
- j. Any other information the office Director deems as relevant.

The decision of whether or not discrimination occurred must be supported by a preponderance of the evidence. If the school Director determines that discrimination, the school Director will take all appropriate steps to prevent the recurrence of the discrimination and to correct the effects on the complainant and others, if appropriate.

Within eight calendar days after receiving the report from the Investigator, the school Director will provide a written notice to the Complainant (Complainant Notice) concerning the outcome of the investigation. The Complainant Notice shall state that an investigation was performed, the outcome of the investigation, and any remedies provided to the Complainant. In order to maintain privacy rights, the school Director is not required to disclose every detail about the nature of any corrective action taken against the Accused. However, for complaints of discrimination, the Complainant Notice will include the consequences imposed on the Accused that relate directly to the subject of the complaint, such as requiring that the Accused stay away from the Complainant, prohibiting the Accused from attending school for a period of time, or transferring the Accused to other classes or another school.

The Complainant Notice shall advise the Complainant that if he or she continues to experience or witness discrimination, he or she should immediately report such incidents to the Investigator.

If the outcome of the investigation is that there was no discrimination, the Complainant Notice will also include the Complainant's right to appeal the decision of the school Director within 15 calendar days of the date of the Complainant Notice. The Complainant Notice will include the procedures for initiating such an appeal.

Within eight calendar days after receiving the report from the Investigator, the school Director will send a separate notice of the outcome to the Accused (Accused Notice). The Accused Notice shall state the outcome of the investigation, whether the allegations were substantiated and what, if any, corrective action will be taken to prevent recurrence of any discrimination and to correct its effects. The Accused will have the opportunity to appeal any finding that he or she engaged in discrimination by filing an appeal within 15 calendar days of the date of the Accused Notice. The Accused Notice will include the procedures for initiating such an appeal.

Should no request for an appeal be initiated within the time to appeal, the decision of the school Director will be final and binding.

4. *Appeal Process*

To appeal a decision of the school Director, the appealing party must provide written notice ("Notice of Appeal") to the College President of his or her intent to appeal within 15 calendar days of the date of the Complainant or Accused Notice. The Notice of Appeal must include the specific reasons for the appeal and any evidence the appealing party would like considered as part of the appeal. Within three school days of receiving the Notice of Appeal, the College President will provide notice to the non-appealing party of the appeal and the basis for the appeal. The non-appealing party will have 15 calendar days to respond to the statements in the appeal.

The appeal process will be limited to determining (1) whether the decision as to a finding or no finding of discrimination was supported by a preponderance of evidence; (2) whether the findings of the Investigator as to whether or not the incidents occurred are supported by a preponderance of the evidence; and (3) whether the investigation was conducted in a fair and impartial manner.

The appeal will be decided by the College President. The College President will receive and review the Notice of Appeal, a copy of the investigation notes, the report by the investigator, and the Complainant and Accused Notices. After the review, the College President will render a decision.

The written appeal decision by the College President shall include a summary of the issues raised on appeal, a summary of the evidence considered, a decision as to the appeal, what evidence supports the decision, and what additional remedies, if any, are necessary. The College President will provide a written appeal decision of its findings to the Complainant, the Accused, and the school Director within 50 calendar days of receipt of the Notice of Appeal.

The decision of the College President is final and will conclude the complaint process.
